1. I walk you now into halls of power and prowess on the heels of having nothing, no resources, reserves depleted. I walk you into My arms now more than ever, larger than ever, larger than life; for your life now is in Me and Me alone. Having given all that you are and all that you have become, all that you are becoming and will become to Me, to be Me, to live in Me as Me, us all together one; one-shipping, Me-ship becoming. I love you and I give you Me; and I give you all of Me.
2. Unconcerned be with your cash reserves and your debt, for all is paid in Me; and all My promises are yea and amen.
3. Truth, true and faithful rides with Me; I am true and faithful, I am truth, My words are truth, this word is truth.
4. My message to you this day, and to so many: arise now for your time cometh and is at hand and now is and now arise; the day, the minute, the moment; to be as I have prepared you to be in Me, this day, this moment. I thank you and I give you Me; for not losing heart, not taking control; I thank you and I give you Me. Replete be in the fullness of My words true and faithful to you this day.
5. And think it not strange who knocks on your doors, phones and calls and contacts you now to operate in My behalf and carry out My instructions to be, forthwith, My word to them, and so many in them, with them, with you and Me. I love you and I give you Me.
6. The birds sing and the sun shines; My day of glory is here, the moment of My appearing imminent, and forthwith, posthaste with immediacy, immediately, momentarily not, now, today is in and among you.
7. See Me in what I have said and take not issue with what I have done, what I have said, and what I am explaining, for all is and is now. They come, all comes, all is promised, all as stated; yea, and more so many, the more so many, the more so many that mighty become who are not mini in size, but yea, mighty and giant-ing, giants are and becoming and more so.
8. I love you; I give you Me. My discoveries, My addiction breakers, My solves and solutions to so many plagues and particulars, yea, that come through My altar, the altar of Me, us kneeling, bowing before each other, taking, making covenant, being covenant. I love you. Explicating not, inextricably linking My now to My covenant, to My Me to My covenant, My Mine to My covenant, My Mind fully released. Yea, the fullness of Me being in boundary-less manner of fashion and form of only Me with no restraint, only wisdom. I love you; I give you Me. Good day.

9. **The degrees to which you seek Me are the degrees to which you see Me.** You are holy for I am holy and your holiness is seen, felt, experienced in measure commensurate with your seeking to see, to hear, to feel, to become, to operate in the fullness of Me, My godhead being. I love you. In My trinity see, be. **Commensurate I operate in until synergistically I am freed in wisdom**. I love you and I give you Me.
10. This day see Me in all I have said and all I am saying and will continue to say and provide; the word of My truth being the truth of My word, being, truth being/Me being. Yea, in all actions, words, and emotions coming through Me that now come through you to each other, all close and far away. I love you. Yea, everything you need and want is in My hand and on My way to you.
11. Think it not strange the trials, the tribulations. My words have become your words and your words become My words as I seek, as you seek to speak, receive, be Me in the fullness of who I am, who I made you to be.
12. Operating in the fullness of Me you do now, more so continuously accelerating into My accelerator, particles and particulate matter of only Me. Thank you and good day.
